HEARTS FOR HOMES
Gala and Auctions
September-October, 2026

On behalf of the Society of St. Vincent de Paul Vancouver Island, I invite you to support our **Hearts for Homes Gala**, taking place in Fall 2026.

This signature fundraising event will bring together community leaders, partners, and supporters to raise critical funds to **expand and enhance housing for individuals and families in need in our region**. Through this campaign, we aim to improve existing housing and increase capacity, ensuring more people with limited means have access to safe, stable, and supportive homes.

We would be honoured to have your organization participate by contributing an **auction item** or consider becoming an **event sponsor** (let me know if you would like to see our sponsorship package).

Donor Recognition & Benefits
In appreciation of your support, auction donors will receive strong visibility, including:

- Feature placement on the big screen during the event
- Auction item display at gala including recognition of your brand
- Promotion in emails to the charity's donors and supporters and in social media posts prior to the gala
- Logo placement and recognition on the Society's website and online auction page
- Inclusion in *Times Colonist* display advertising and other media opportunities where available

The Impact of Your Support
Funds raised through the Hearts for Homes Gala will directly support the Society's housing initiatives—helping to update existing units and expand access to safe, affordable housing for seniors, individuals at risk of homelessness, and women and children seeking stability and safety.

Your gift will play a vital role in ensuring that more members of our community have a place to call home.
